"All things were made through YaHoVeH, and without Him nothing was made that was made. In Him was Life, and the Life was the light of men. And the light shines in the darkness, and the darkness has not overcome it." John 1:3-5

LIGHT

by haRold Smith a citizen of the Commonwealth (Ephesians 2:19)

The struggle most find themselves in can be brought, in its most elemental state, to a struggle between light and darkness. Except - there really is no struggle. The Christian "Church" (*click on highlighted words to view content*) has hoodwinked its followers into believing they are impotent against darkness; that resisting darkness requires some kind of a fight with bluster, anger or even rage to get it to pay attention when, in fact, just the *presence* of light causes darkness to simply - not exist. Consider this: when you enter a room full of darkness and turn on a light switch, is there a struggle for that light to reign supreme? No - it already IS supreme. The definition of darkness is the *absence* of light. Where there is no light, darkness abides. When light appears, darkness CANNOT abide - there is no choice in the matter because it is a **universal dynamic**. Light dispels darkness. Light does not cause darkness to flee - it causes it to dissipate. The brighter the light, the less there is of darkness. Shades of grey are not the diminishing of light but of the darkness dissipating. When you walk down the street at night, you don't see darkness to become light. Darkness has not, will not, nor **will it ever** overcome light. Darkness is absorbed or, it can be said, embraced by the light thus OVERCOMING darkness.

life = light ---> (which produces) faith death = darkness ---> (which produces) fear (unbelief)

It is important to understand that, at their core, neither faith nor fear are emotions - they are choices. Throughout scripture we are told to "fear not", "be not afraid" and "be not dismayed" - those are <u>choices</u> made through an act of will. The English word translated as "power" in John 1:12 is the same Greek word translated as the English "authority" in Luke 9:1. Both translations come from the Greek word exousia which means "power of choice." When we embrace the Nature of YaHoVeH's Spirit expressed in His Words, we become empowered by His Spirit to face whatever circumstance is confronting us. Separating fear from a feeling now frees me to be able to choose (*eksousia*) how I am to act, to behave toward circumstances *regardless of how I might feel* about them. Faith now becomes *actionable* as a choice over feeling. The <u>act</u> of embracing the Life Yeshua lived among us gives us the authority to CHOOSE life over death. When we CHOOSE to believe through the actions of our life that YaHoVeH is Good, every day, regardless of what the world is telling us; regardless of what we see, hear, feel or think, and pattern our lives accordingly - we are choosing *the Life*. By choosing to live the Life, we are then choosing to live in His Presence - we are becoming Light.

...light dispels darkness

Everywhere He went, Yeshua made a public spectacle of the powers of darkness by the virtue of His life. He cast out demons with a word; no fight, no bluster, no argument - because He knew the power the Life, that Virtue, that excellence of spirit, gave Him over darkness. He healed the sick because He KNEW who YaHoVeH was and the virtue He carried within Him. His Life is the example He lived for us to follow (1John 2:6). Most who consider themselves part of His Body today do not comprehend or understand the depth of the authority of the Power that has <u>ALREADY</u> been provided because they do not <u>KNOW</u> YaHoVeH for who He truly is (Luke 10:19). Not what we would like Him to be, not who we imagine Him to be, but who the scripture chronicles that Life to be. We have settled for something less than excellence because to know Him requires of us something more than most are willing to give - our life. The strongholds we are up against which prevent us from accepting Him for Who He Says He Is are not external, but those thoughts that exalt themselves against this true knowledge of YaHoVeH and of His Son. The

battlefield where those strongholds exist is in our minds as to whether we are going to believe that YaHoVeH is Good in every aspect of life, <u>regardless</u> of what the externalization of life tells us (**1Thessalonians 5:18**). This is what Paul referred to as "fighting the good fight of faith." Do we believe who Yeshua says He is (backed up by the evidence of **the Life** He lived before us) enough to embrace everything that He is in every circumstance that confronts us? Or, do we CHOOSE to embrace fear masquerading as dismay, comfort, anger, practicality or tolerance in situations we are unsure of because we are not really convinced that what He said is true and begin to hedge in areas of our life? If you have embraced the example of Life Yeshua led before us, then He says you have within you, right now, the power that resurrected Him from the grave. As you embrace His Life, His excellence of spirit, it becomes Light within you. The more you choose to embrace, cultivate and exhibit virtue in your daily encounters of life, the more brilliant that light becomes and that is what overcomes the darkness within you. No fight - just Light.

"For I have given you an example, that you also should do just as I have done to you. Truly I say to you, a servant is not greater than his master, nor is a messenger greater than the one who sent him. If you know these things, blessed are you if you <u>do them</u> ...Truly, truly, I say to you, whoever receives the one I send receives Me, and whoever receives Me receives the One who sent Me." John 13:15-17, 20

When we try to avoid darkness or try to run it off, it is because we don't have an understanding of how powerful the Light within us really is. If we fear darkness, it is because we have come to believe that when we are in the middle of something sinister, somehow it will attach itself to us and contaminate us. The reality is just the opposite. When you are in the palm of YaHoVeH's Hand, the scripture says that <u>NO ONE</u> shall cause you to be removed (John 10:27-29, Romans 8:34-39). and when you walk around in the fullness of the Light of His Spirit in you, the demons of darkness tremble (James 2:19). He spreads a banquet table before us, where? - in the <u>PRESENCE</u> of our enemies (Psalm 23:5). The Greek word exousia has a second definition associated with it - it also means "power of influence." Scripture declares in both Acts 11:13-14 and Acts 16:31 that those living within <u>the household</u> where Light exists will be saved - *it does not say the family* of the one who has become Light will be saved as many popularly interpret these verses to mean. The reason it says "household" is because it is those gathered in your house who are within immediate proximity and continually exposed to the Light within you - they can not remain neutral. They will either warm to the Light or be dispelled by it. Light changes lives.

Yeshua is calling upon those of His Body, to be Him to this world. YaHoVeH is calling on us, individually, to be Light in our corner of responsibility and then, collectively, to be Light to the world. Yeshua is the Head of the Body and <u>those embracing His Life</u> become the members of that Body. It is a mystery but, just as your head does not float around apart from your body, so His Head is not separate from the members of His Body and the members are not separate from either the Head or from each other - even though, looking through natural eyes, it appears otherwise. This is why it only takes two or more for Him, as the Head, to be present at any one time and for His Body to function as a whole. As was seen with the Ashes of the Red Heifer, this is a *mysterion* (Greek for "mystery") - a Truth hidden in plain sight. When we choose to embrace His life, we choose to embrace the authority that comes with it to CHOOSE to bring light into the middle of darkness and cause that darkness to become light.

...light to the world

We think this power, this authority in Spirit, is to be on exhibit and promoted; but, it is not based on the charismatic, success, take-charge platform of current Christian culture. It is based on sphere of influence - and we all have influence. The outward manifestation of the power of YaHoVeH is just a realization of the inward choices we make when we embrace Yeshua. His Life was of such purity, the Light so intense, the Virtue so full to the brim that when someone just touched the hem of His garment that virtue, that Light, simply overflowed out of Him and they were healed. He wants us to be the same way. The authority given us is the power to choose to be light to the world, even as He is. Before we can BE light to someone else, however, we must first choose to BECOME light. We must allow the light resident within us to become so intense so as to completely dispel the darkness within us - then that the Light can spill out onto others and they be healed.

To PRAISE in Hebrew is *halal*. It means "to shine - to flash forth light".

"Herein (by this) is our love made perfect, that we may have confidence in the day of judgment: because just as He is, even so are we in this world." 1John 4:17
